

Vetement Japanese 28/11/1907 Japonese outfit and bonnet

There is 1 pattern only to make the coat. Trace on double fabric and cut out.

Close the backseam

Stitch a embroidered braid at the sleeves and collar, as shown in the picture.

Close the sideseams. Hem the center frontseams and bottomhem (maybe this hem could use some more seamalloweance. Add buttons and loops.

Of course you can make a lining for this coat too by using the same pattern (trace the pattern a tiny larger then the fabric)

Bonnet: Trace and cut the patterns. Cut twice the rim. Close seam a/b and stitch on top piece

Ourlet: hem

Couture; seam

Repli: turn under

Devant: front

Derrière: back

Dessus : top

Moitié de la passe : half the rim
