

BETSY GOES TO CONVENTION!

My Convention Doll-
signed by Mr. Tonner!!

The most exciting thing is happening! Some wonderful people who love Betsy McCall dolls are all getting together for a convention and I got to go! I am having such a wonderful time! I am staying in a big hotel in Dallas. I brought my Journal along to write everything down. I don't want to forget even one minute of this weekend! I registered yesterday and got a name tag with tickets for all the wonderful workshops. I learned to make such neat things- a skirt (for Barbara), a toy dog (for Nosey), some summer sandals (for me) and a purse to match! I even built a fantastic swing set for Linda and I to play on - how will I ever get it all on the plane when I go home? I have met some wonderful friends too.

Best of all, I got a new doll-

Robert Tonner even signed her for me!

I hope they have one of
these every year!

My bag of souvenirs!

I brought my Journal
to write everything down.
I don't want to forget even a minute!
