We're the FFDRevue

In this Issue:

We'll tell you a little about who we are, our mission and give you a taste of what's to come. We invite you to share with us! Who are you? What are your interests and questions? Who is your favorite French Fashion Doll, her artist, outfit or wonderful accessories?

You'll See:

Articles, illustrations, *Tips and Tidbits* — a regular column, and you'll find your first pattern with helpful instructions.

We Hope:

Our publication brings you abundant learning. Find within — pages full of interesting information on a variety of topics and levels, thus enabling you to more thoroughly enjoy your French Fashion Doll collecting and play.
