

With right sides together, match collar to neck edge. Use a 1/8" seam to stitch.

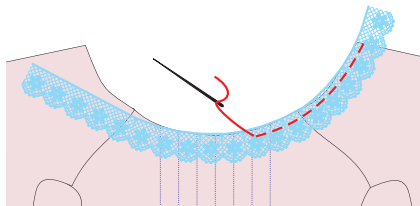

Turn collar to inside. Whipstitch in place. Press.

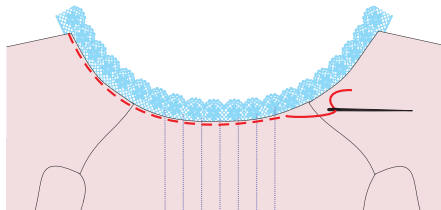

Attach Lace Collar:

Gather lace slightly. With right sides together, attach to neck edge with a 1/8" seam. Overcast then press seam toward bodice.

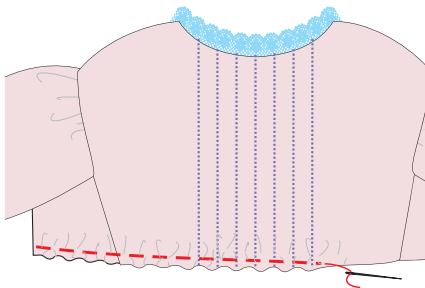

Carefully edge stitch through fabric and seam. Fold lace up or down as preferred.

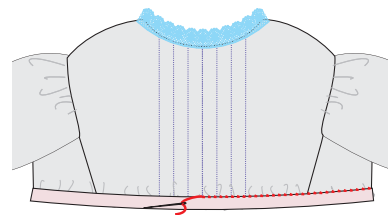

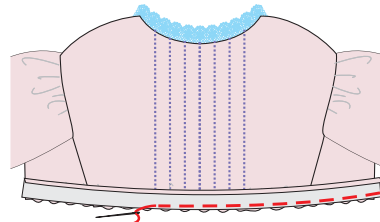

Attach Waistband:

Stitch one row of easing stitches 1/8" from bottom edge of bodice.

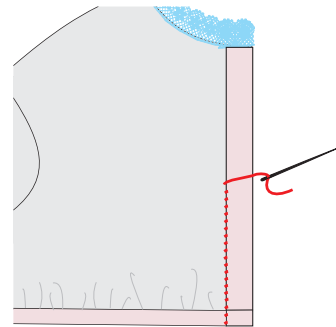

The method for attaching the waistband is the same as for attaching the standup collar. Press in 1/4" on long edge. With right sides together, attach waistband to bodice, easing bodice to fit waistband. Stitch with a 1/8" seam. Fold band to inside and whip in place.

Finish Back and Add closures:

On each side of back bodice, including collar or lace, fold under 1/8" and then 1/4". Whip in place. Add hooks and threads loops for closure.

For cuff closure, attach a 3/16" button to back of cuff and a corresponding thread loop to the front of cuff

How to make thread loops:

Anchor several strands of thread at two points in fabric. Cover strands with buttonhole or blanket stitch.
