

Simple I.SDS Dress Pattern

You will need 1 Fat Quarter of fabric 18"x22"
8" x 10" lining fabric (optional) thread, snaps
For decoration, lace, ribbon, trim.

Cut 1 bodice and 1 lining on the fold
Cut 1 skirt 18" x 5 1/2"

Seam allowance is a scant 1/4" Place the bodice and the lining right sides facing and sew along the sleeve edge on each side. Then sew up the center back, around the neck hole and down the other side of center back. Turn right sides out and press. Sew each side seam. Hem the skirt 1 inch and run a gathering stitch along the top. Sew the gathered skirt to the bodice bottom and sew up the back seam. Sew on the snaps.

This little dress can be decorated many ways. Sew lace or trim to the sleeve edge and neck. Little bows on each side of the waist or lace down the center. Make it in a solid color and embroider flowers etc.
